Riding the Great Taste Trail

Taste the extraordinary diversity of Nelson Tasman's towns, orchards, farms and vineyards, sparkling coastlines, rivers and hill valleys. Enjoy spectacular views, sample local food, wine or brews, spot wading and sea birds, and meet friendly locals.

The Great Taste Trail can be ridden all year round, and in either direction.

With many access points, you can choose a section and head out for a couple of hours, take the whole day, or enjoy a multi-day biking adventure.

Coastal sections are mostly flat, easy riding. There are a few more challenging grade 3 sections in the hill valleys.

Ten trail sections are detailed on the reverse. See trail grade, ride times, gradient maps and trail 'tastes' to help you create your own adventure. Ride times do not include stops. Be sure to allow plenty of time to stop and enjoy the views, indulge in the eateries, and explore the nooks and crannies along the trail.

If you prefer, you can join a tour, or have someone tailor the adventure for you, arrange pick-ups, bike hire, food, accommodation and guides.

Enjoy!
